

**REMARKS**

The Office Action dated 2/11/08 recorded the following status of claims in this application. Claims 1 – 17 and 19 - 21 were cited as pending in the application. The Applicant notes that Claim 11 was previously cancelled by the Applicant. Claims 1 – 14, 7, and 19 - 21 were rejected. Claims 15 and 16 were objected to as being dependent upon a rejected base claim. The Examiner states that these claims would be allowable if rewritten in independent form including all of the limitations of the base claim and any intervening claims. This amendment cancels Claims 15 and 17 – 21 and amends Claim 1 and 16. The Applicant reserves the right to file the canceled claims in one or more divisional or continuation applications, or to reintroduce the cancelled claims under a future amendment to this application. Reconsideration of this application is requested in view of these changes and the remarks presented below.
